Aggregate Space Gallery Presents *Orium*, an Art-Making Fundraiser for ASG

Aggregate Space Gallery is a place for a particular function. We have invited dozens of artists to come and create a small edition of artworks to be sold to benefit the continued growth and stabilization of ASG. Over 3 weekends, we will open our doors for the public to safely look into the process; our goal is to create an aquarium-like public space wherein artists exchange resources, ideas, and activate the ASG facility in its entirety. Like many of the things ASG has supported over the years, this fundraiser is an opportunity to explore possibility,

so come and watch it unfold. Objects will be available for sale immediately as they are finished, priced from \$50- \$200.

About Aggregate Space Gallery (ASG)

Aggregate Space Gallery is a non-profit exhibition and performance space in West Oakland making immersive conceptual art experiences accessible to our community. ASG envisions an Oakland where artists can make and experience art in a safe space with access to production tools and hands-on guidance, creating work that fuels critical dialogue in a time when it is desperately needed. ASG is a charitable, artist-run exhibition and performance space in West Oakland that prioritizes the exhibition of artwork that generally can't be seen elsewhere – our mantra is “Install the Unimaginable.”
